

Professional Engineering Procurement Services (PEPS) Division

Eleven FCs have been consolidated from the legacy Thirty Six (36) FCs, as shown below.

PC Bus Unit	Activity	New Function Codes (ERP Function Codes)		Legacy Function Codes	
		FC	Description	FC	Description
72	SPE	000	General	000	General
72	SPE	100	General PE	100	General PE
76	PE	100	Pre-DES Funding Agreement Work	180	District Design Review and Processing
				181	Austin Office Processing (State prepared PS& E)
				182	Austin Office Processing (Consultant Prepared PS& E)
76	PE	102	Feasibility Studies	102	Feasibility Studies
				110	Route and Design Studies
				126	Donated Items or Services
				146	Rework by TxDOT of complete consultant plans on advance PE projects. Advance PE are activities in function codes 102 through 150.
				169	Donated Items or Services
				191	Toll Feasibility Studies
76	PE	120	Social/Econ/Environ Studies	195	Rail Division - PE
				120	Social, Economic and Environmental Studies and Public Involvement
76	PE	130	Right-of-Way Survey Data	130	Right of Way Survey Data (State or Contract Provided)
76	PE	135	Right-of-Way Utility Activities	135	Right of Way Data Utility Engineering Investigation along with Utility Coordination and Accommodation
76	PE	145	Managing Contracted/Donated PE	145	Managing Contracted or Donated Advance PE Services.
				164	Managing Contracted or Donated PS&E PE Services.
76	PE	160	Roadway Design	150	Field Surveying and Photogrammetry
				160	Roadway Design Controls (Computations and Drafting)
				161	Drainage
				162	Signing, Pavement Markings, Signalization (Permanent)
				163	Miscellaneous (Roadway)
				165	Traffic Management Systems (Permanent)
				166	Rework By TxDOT Of Completed Consultant Plans on PE & E projects. PS&E PE are activities in Function Codes 160 through 190. Rework Segment 76 FCs 160-190 for metric conversion. Rework existing PS&E to metric units on projects already into plan preparation.
				170	Bridge Design
				190	Other pre-letting date charges, not otherwise classified.
				192	Comprehensive Development Agreement Procurement
76	PE	192	District and Division CDA	192	Comprehensive Development Agreement Procurement
76	PE	193	Toll Collection Planning	193	Toll Collection
76	CE	300	General Function	310	Project Supervision
				320	Inspection of Work in Progress and Project Records
				330	Job Control
				340	Post Letting Date Construction Surveys for Construction Contracts.
				350	Design Verification, Changes and Alterations (State prepared plans only)
				351	Design Verification, Changes and Alterations (Consultant prepared plans only) Review of plans to verify applicability to actual conditions and for errors; checking Shop Drawings, Field Change Requests, Extra Work Orders, Memorandum Agreements and Supplement Agreements. Includes such activities at both residency and district headquarters. Includes all costs to acquire and manage consultant contracts and services applicable to Construction Engineering (CE).
				352	Final Plan Preparation
				390	Construction Engineering not Otherwise Classified
